## **US Census Bureau**

### **Census Data Release Schedule 2010-2011**

*Note: The Latino Census Network has been receiving inquiries about when the data from the 2010 Census will be released. Based on various sources within the Census Bureau, we have compiled the following schedule for data and statistical releases for 2010-2011 for the 2010 Census, the American Community Survey (ACS) and other Census programs.*

#### **Late September 2010**

2009 American Community Survey (ACS) 1-year estimates for areas with a population of 65,000 or more.

#### **Mid-December 2010**

2005-9 5-years estimates from the *American Community Survey (ACS)* for geographies down to the block group level.

#### **December 2010**

2010 *demographic analysis estimates* of national population by age, sex, and race (Black and nonblack). Not from the 2010 Census, but estimates based on historical data on births and deaths and estimates of immigration and emigration. This information is used, in part, to estimate the accuracy of the 2010 Census.

#### **By December 31, 2010**

The *apportionment counts* will be delivered to the President will be delivered to the President within nine months of Census Day (on or before December 31, 2010), as required by law. This report will show the apportionment population counts, by state, and the number of seats in the US House of Representatives apportioned to each state.

#### **February-March 2011**

2010 *Census Redistricting Data (P.L. 94-171) Summary File* - redistricting data to the 50 states consisting of small-area data the states will need to redraw districts for the state legislature:
